ARBITRATION IN CHINA A PRACTICAL GUIDE
Daniel R Fung SBS, SC, QC, Dr Wang Sheng Chang

With China’s speed of growth in foreign investment and regional trade this two volume set will give you the definitive text on one of the fastest growing areas of law in China.

Produced in conjunction with the China International Economic and Trade Arbitration.

- Includes extensive coverage on specialised areas of arbitration as well as the general principles
- Volumes one and two are designed for easy reference with important practical information presented in flow charts, and comparative tables to give you a clear understanding of rules and conventions
- Indispensable for anyone practising arbitration or who is interested in arbitration in China.

INTERNATIONAL COMMERCIAL ARBITRATION AND CONCILIATION IN UNCITRAL MODEL LAW JURISDICTIONS

3rd edition
Dr Peter binder

The new edition of this acclaimed work examines in depth both UNCITRAL’s Model Law on International Commercial Arbitration and the UNCITRAL Model Law on International Commercial Conciliation. It analyses each article of the two Model Laws in turn; their substance and how they have been enacted in jurisdictions around the world.

- Shows practitioners what they can expect in all the world’s key ADR jurisdictions, considering over sixty national adoptions of the Model Laws
- Provides practical charts detailing which articles have been adopted in each jurisdiction
- Covers the progress of the Model Laws over the years, detailing amendments to the Laws and recent country adoptions.

HONG KONG MEDIATION HANDBOOK

General Editor Dr. Raymond Hai Ming Leung

Author Team
Mrs Cecilia Kit Wah Wong, Ms Beatrice Kit May Hung, Ms Annita Siu-kwan Mau, Mr Yeung Yin Lam, Mr Keswick Chuk, Ms Allen Lam, Mr Paul Starr, Ms Lily Ma, Mr Wilson Kwan.

In recent years mediation in Hong Kong has attracted widespread interest. With Practice Direction 31 coming into effect on 1 January 2010, mediation will be at the forefront of all dispute resolution and litigation. Parties that do not resort to mediation may face adverse cost consequences. Even where the mediation is not successful it is likely to have had the positive effect of reducing the conflict and the issues between the parties.

- Only comprehensive book on mediation in Hong Kong
- Outlines the important process of mediation, including the legal aspect
- Enables readers to develop highly complex and technical mediation skills, and related methodology, and put these skills immediately into practice
- Includes chapters on specialist mediation, such as construction disputes and financial products disputes
- Essential for solicitors and barristers involved in litigation, inhouse counsel, and other professionals including architects, contractors, quantity surveyors, engineers, social workers and human resources personnel
- Extensive real life case studies.
