TORT LAW IN HONG KONG

2nd Edition

Rick Glofcheski

Tort Law in Hong Kong (Second Edition) carries the same emphasis as the first edition throughout the work on the practice and development of the law of torts in Hong Kong. It is the leading authoritative work to date on this ever-changing and vitally important subject. Tort law, perhaps more than any other area of law, should reflect the views of the ordinary person on the street on the obligations owed by one member of society to another. While Hong Kong tort law has its origins in the English law of tort, the author highlights the development of tortious principles unique to Hong Kong, an independent jurisdiction functioning in conditions far removed from those prevailing in other common law jurisdictions and provides comprehensive and analytical accounts, pertinent to the state of the law of torts in Hong Kong.

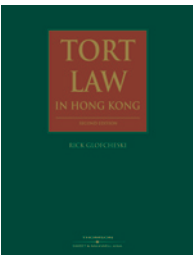

- Discussions and commentary of the most recent and important judicial decisions in Hong Kong
- Highlights important developments of principles unique to Hong Kong
- Essential updated reference.

TABLE OF CONTENTS

- 1 Introduction
- 2 Negligence
- 3 Breach of duty
- 4 Causation and remoteness of damage
- 5 Duty of care
- 6 Defence to negligence
- 7 Occupier's liability
- 8 Breach of statutory duty
- 9 Employers' liability
- 10 Damages for personal injury
- 11 Vicarious liability
- 12 Multiple tortfeasors
- 13 Employees' compensation
- 14 Nuisance - Rylands v Fletcher
- 15 Trespass
- 16 other intentional torts, Defamation and Limitations

ECONOMIC NEGLIGENCE**The Recovery of Pure Economic Loss****5th edition**

Feldthusen, Bruce

B.A. (Hons.), LL.B., LL.M., S.J.D.

This text draws upon the law of Canada, the United States, United Kingdom, Australia and New Zealand to provide a comprehensive treatment of this area of tort law.

The book is organised to deal with each well-recognised economic loss category in separate chapters: negligent misrepresentation, negligent provision of professional services, recovery for shoddy non-dangerous structures

and products, relational economic loss, negligence of statutory public authorities.

- The fifth edition of this respected text is the only work devoted exclusively to claims for economic loss in Canada
- This text offers practitioners a valuable reference source for understanding the complex issues surrounding claims for economic loss in each of the recognised categories.
