THOMSON REUTERS
BUSINESS RESOURCES FOR ASIA

Essential Resources for Consultants, Advisors,
Investors and Legal Professionals
Thomson Reuters is pleased to provide a range of corporate and commercial subscription services for Singapore and Malaysia as well as a regional business service covering 14 jurisdictions. These products are new to the Thomson Reuters portfolio and offer comprehensive up-to-date information for anyone doing business in these areas.

The suite of corporate law titles provides practitioners in law firms or corporations with valuable, must-have information about the compliance and legal landscape in Asia. The library provides a wealth of content covering all the key jurisdictions enabling practitioners to advise effectively on the legal requirements for doing business in Asian jurisdictions. Equally the library provides detailed commentary into company and securities law and company secretarial practice.

Access to Business Resources for Asia anytime, anywhere!

Online versions of these resources enable practitioners to:
- Quickly and easily browse through a Thomson Reuters Online Library from chapter to chapter
- Search multiple titles at once for simple comparative research across jurisdictions
- Link from content in one title to another to connect resources during research
- Browse for a specific point of law using the simple A-Z Index
- Stay up to date with the latest developments using the 'What’s New' sections
- Be informed about updates first with the online version

Doing Business in Asia / Asia Business Guide (DOBA)

Doing Business in Asia / Asia Business Guide is the essential tool for consultants, investors, advisors and legal professionals doing business in Asia. 14 Asia-Pacific countries are covered, namely Australia, China, Hong Kong, India, Indonesia, Japan, Korea, Malaysia, Myanmar, Philippines, Singapore, Taiwan, Thailand & Vietnam. This guide provides a thorough framework to the economic and legal structures of each country, covering topics such as law, government, investment, taxation, regulation, import and export, labour, intellectual property, dispute resolution, insurance and data privacy. To help you keep pace with this fast-moving environment, it is supported by six updates.

Resources for Malaysia

Malaysia Hands On Guide – Company Secretarial Essential (HOMCS/WHOMCS)
- Includes practical tips, examples, specimen forms, minutes, checklists and resolutions to assist the company secretary in discharging his / her duties
- Acts as a step-by-step guide in the completion of corporate secretarial forms

Malaysia Company Secretary’s Practice Manual (MEC/WMEC)
- Covers comprehensive commentary on the law
- Contains commentary, specimen minutes and resolutions as well as full reproductions of prescribed forms, and selected guidelines and codes
- Helps the company secretary understand and apply the requirements under company and securities law

Director’s Manual – Malaysia (DMM/WDMM)
- Highlights the duties and responsibilities imposed on corporate directors
- Includes areas and activities in which directors will face potential liabilities
- Provides a comprehensive compilation of information relating to powers, duties and liabilities of corporate directors

Malaysia Companies Legislation (MCL)
- Covers current information on companies and securities rules, orders and regulations in Malaysia, including offshore company and security industry activities
Resources for Singapore

Singapore Hands On Guide – Company Secretarial Essentials (HOSCS/WHOSCS)
- Includes practical tips, examples, specimen forms, minutes, checklists and resolutions to assist the company secretary in discharging his / her duties
- A step-by-step guide to the completion of corporate secretarial forms

Singapore Company Secretary’s Practice Manual (SCSP/WSCSP)
- Covers everything a company secretary needs to know when carrying out day-to-day duties and dealing with more complex issues
- Contains commentary, specimen minutes and resolutions as well as full reproductions of prescribed forms, and selected guidelines and codes
- Helps the company secretary understand and apply the requirements under company and securities law

Singapore Corporate Compliance Manual (SCCM/WSCCM)
- Covers all corporate governance and compliance needs
- Provides expert guidance on the implementation and compliance issues relating to the legal and regulatory framework of companies
- Contains practical advice, forms and checklists which help assist the individual or corporation when dealing with a newly revised Code

Singapore Companies Legislation (SCL/WSCL)
- Brings together the very large body of companies and securities legislation, rules and regulations in Singapore – all the relevant laws can be found in this service
- Includes simple and concise summaries of amendments to all legislation

Resources for Malaysia & Singapore

Malaysia & Singapore Company Law & Practice (MSCP/WMSCP)
- Comprehensive reference work on practising in these two jurisdictions
- Includes summaries of recent developments affecting the company law regime in both countries as well as references to local, regional and international landmark cases
- Contains comparative tables for easy cross comparisons

Malaysia & Singapore Company & Securities Law Cases (MSCC/WMSCC)
- Includes decisions of the courts in Malaysia and Singapore from 2001 onwards
- Reproduces judgments by respective courts to allow accurate reading of the judgment
- Provides regular updates incorporating amendments made to the Companies and Securities legislation and feature concise summaries of the sections
Online suites are also available to give you a complete online workflow-enabled compliance resource, allowing you to shorten the time taken to understand labourious tasks and gain critical comprehension on complex legislation governing companies.
